

## 2024 Birmingham Open Tournament Rules

### Section A: General Rules

#### Rating

The tournaments will be submitted to FIDE for international rating and the English Chess Federation (ECF) for national rating. Games played involving a player FIDE-rated in excess of 2400 are ineligible for FIDE-rating. It is a condition of playing in this tournament that the data submitted at the time of entry will be forwarded to the ECF and FIDE as required to enable the games rated by the ECF and FIDE.

#### Allocation of Ratings in All Sections

The ratings used for the tournament will be the following:

ECF Standardplay Rating (November 2024) – categories A or K only

Where a player has no ECF Standardplay Rating, the organisers will assign an estimate based on all available data on a case-by-case basis, failing which the player will be assigned a rating of 0.

The organiser reserves the right to move a player into a section with a higher rating limit that is better suited to their ability.

The ratings allocated by this process will be used in the calculation of any relevant prizes. (See Prize Calculation below for more information.)

#### Levels of ECF Membership Required

All entrants must pay a £15 surcharge if they are not Gold or Platinum members of the ECF and their FIDE registration is ENG. This will also apply if the player has no FIDE registration, but chooses “England” on the entry form as their Federation.

#### Obtaining a FIDE Identification Number

All entrants must have a FIDE Identification Number at the time of submitting their entry, unless they wish their FIDE nationality to be England. English players without a FIDE Identification Number will have one created at the time the rating files are submitted by FIDE. *Please note: At the time of writing, changing this nationality later costs 50 Euros.*

### **Section C: Entry Fee and Prize Calculation**

#### **Prize Calculation**

The place prizes in all tournaments will be awarded to the player scoring the most points. There will be no tie-breaks applied, and in the event of a tie on points, the prize money will be shared equally between all tied players.

The performance prize will be calculated on W-We, where W is the number of points scored, We is the expected number of points based on the difference between the ratings of the players in the game. A player is only eligible for a rating prize if:

- The player has not defaulted any games in the tournament, and
- The player had not withdrawn from the tournament (see the section on Byes below)

Players allocated a rating of 0 (see Allocation of Ratings in All Sections above) are not eligible for rating prizes.

Where there is a tie for a rating prize, the prize shall be won by the lowest-rated player involved in the tie.

Where a player wins a place prize and a performance prize, the player will win whichever prize is of the higher value.

Players participating in all sections of the tournament are eligible to win the one performance prize. Note: It is not one performance prize per section.

#### **Prize lists**

Full prize lists for each tournament will be published online as soon as possible at the end of the tournaments. The event organisers will contact all prize winners as soon as possible to arrange for the payment of prizes.

#### **Byes**

One half Point bye may be requested for Rounds 1 to 4 (or a request may be cancelled) either:

- At the time of entry, or
- At any point before the pairings are published for each tournament. Where the pairings are published as soon as they are available, the request should be made no later than the conclusion of the last game in the round of the tournament being played. Such requests should be made to the Chief Arbiter at the tournament.

Players who miss more rounds than the number of Half Point Byes permitted in each tournament will be withdrawn from the tournament, unless the Chief Arbiter decides otherwise.

### **Section D: Registration, Defaults & Pairing Alterations**

#### **Defaults**

A player who defaults a game will not be included in the pairings for the next round of the tournament, or any subsequent round, unless the Chief Arbiter decides otherwise. Should this be decided, the Chief Arbiter reserves the right to apply a bond of £50, which will be returned at the end of the tournament if the player takes part in all remaining rounds. A player who defaults a second game in the tournament will be expelled from it, and shall not have the bond returned to him.

*All re-arranged games listed below will be rated by both ECF and FIDE.*

#### **Late Pairings**

The Organisers may permit players to enter (or register) after the pairings have been published for Round 1 of a tournament. In general, these players will score 0 points in the rounds they have missed. However, the player may be

paired against another player in this category, who has entered the same tournament, and that game shall be played as though part of the tournament. Should any players remain after this process, then they will be considered available for any of the pairing procedures below once the default time for the relevant tournament has elapsed.

### **Re-pairings**

No re-pairings will be offered in the event of a player defaulting their game, the opponent will win their game by forfeit. If the opponent who wins their game by forfeit wishes to play a game, the organiser will make every effort to find another player to play against them in a ECF and FIDE-rated game.
